Grade 11 — Early Assessment Program (EAP) Status

The California State University (CSU) and participating California Community Colleges use the CAASPP ELA and mathematics assessments to determine Bella's 2017 EAP status. The CAASPP achievement levels for ELA and mathematics shown on the front of this report can be used to provide an early indicator of Bella's readiness for college-level coursework, as described:

- **Standard Exceeded:** Ready for English and/or mathematics college-level coursework.
- **Standard Met:** Conditionally Ready for English and/or mathematics college-level coursework. Students earning this status can be exempt from the CSU's placement test and Early Start Program by taking an approved course and earning a grade of C or better.
- **Standard Nearly Met:** Not yet demonstrating readiness for English and/or mathematics college-level coursework.
- **Standard Not Met:** Not demonstrating readiness for English and/or mathematics college-level coursework.

Bella should visit the CSU Success Web site at <http://CSUSuccess.org/> for additional information.
